

FOUNDRY**ART**CENTRE

DECEMBER 1-16, 2023

Back for its third year, this wildly popular exhibition poses the question:

What would you do with 8x8x8 feet of gallery space?

Specially selected regional artists and art collectives have taken over the Main Galleries and uniquely utilized their designated sections.

This is a cash & carry exhibition: any artwork purchase you make can be taken with you same-day - a perfect chance to shop for the holidays.

In a world that is increasingly globalized, it is more important than ever to support regional artists. Local artists are the backbone of our community, and they play a vital role in shaping our culture and identity. By supporting local artists, we are not only investing in our communities, but also ensuring that our voices are heard.

Want to make a purchase? An attendant at the front desk will be happy to help you. Please do not remove artwork from walls.
